See you next week!
STOP YELLING SO MUCH !!!
UWAH!!
STOP PLAYING AROUND!! WHY THE HELL WOULD YOU END IT ON SUCH A GOOD PART!!?
DO YOU WANT US TO BE WORRIED ABOUT THE CONTINUATION!?
I DON'T WANNA BE TOLD BY YOU HOW TO TALK TO GIRLS!
Huh ?
YOU HAVEN'T TALKED TO A WOMAN EVER!
Idiot!! Do you know what a woman's heart is!?
THAT WAS SUCH A GOOD PART!!
It's because that guy's so weak in pushing for it!
If he pushed once more he could have gotten the kiss!
There's no girl that think's something like that! Seriously!
IT BURNS!!

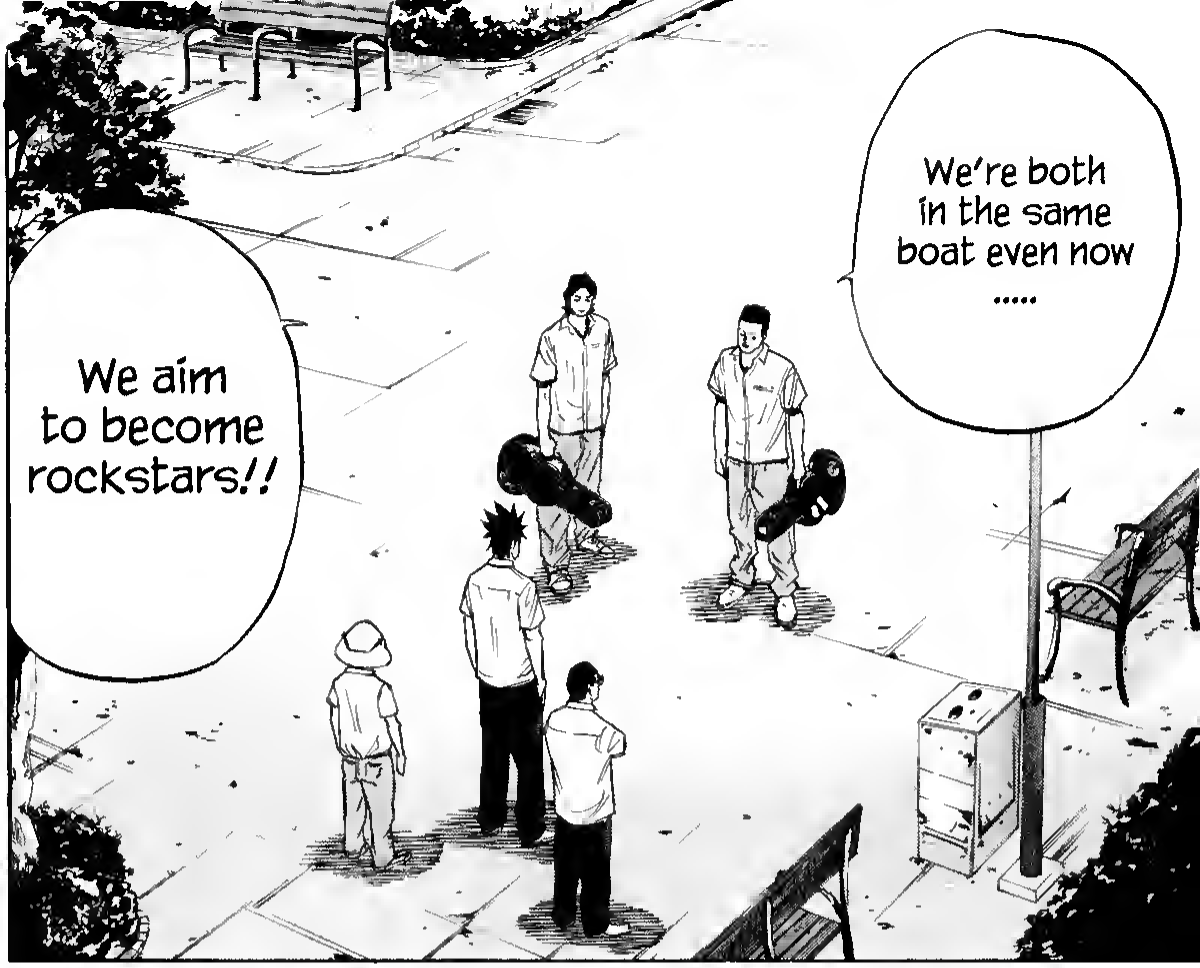
EH?
You understand as well huh?
I KNEW IT! YOUR ONLY THINKING ABOUT HER CUTE-NESS!
I CAN'T FORGIVE A GIRL THAT USES HER CUTENESS AS A WEAPON LIKE THAT !!!!!
WHAT'S SO WRONG WITH IT!?
IF I WAS THAT GUY ..... IF I WAS THAT GUY .... I WOULDN'T NEED TO BE THAT CALM!
What about them?
T... Those two!
This is someone that can under-stand!
That's evil! It's 2 on 1!
Oh! You get it!
If only he just "pushed" more
W...What!? So they wer e TV characters in the north and the south!!
They're the duo called "Kato and Ken"
I heard it from a friend at Shukou High School .....

"Strong Arm" Katou
"Bomber" Shimura !?
We don't have as much delinquents at my school but ....
There's still some bad people of course .....
What's with you guys? Have you never left the main island?
YOU'VE NEVER BEEN TO HIRO-SHIMA!!
Man, You guy's definetely wouldn't understand the niceness of the city of Hiroshima!
Hiroshima is in the main island too!!
Those two on the day of the Entrance Ceremony .....
They beatdown any first year that was standing out!

Aren't we all comrades that love watching "Your city"?
AH!!
Well you two should calm down!!
HUH!? WHY ARE YOU ACTING SO GREAT!?
If Asagiri got involved with those two then it would get pretty bad !!
Ah! We got carried away with our conversation!
You've got the heart of a friend!!
Fu fu fu
What a nice thing to say !!

I'm Shimura Kentarou
I'm Katou Isa and I'm a first year at Shugou High School
No It's pretty interesting
Ohh! Being a first year at Mistumine must be worrying!
A first year at Mitsu-mine
I'm Asagiri Shinosuke
Eh?
Would you be the rumoured "Asagiri"?
Speaking of Asagiri .....
.....
.....
Your in the public eye at the moment!! What a pleasure to meet you!!
The rumor of a super first year has gotten around quickly .....
That's it!!

Haha! That's pretty interesting!
But nowadays instead of fighting ....
Let us fight together next time!!
Finish ?
Honestly, I'm at a place where I feel so overwhelmed by all the lack of good rumours!!
Ah.. Thank you!! Lately all I've gotten is "You buried a person" "You ambushed them!" "Finish" and the sort ..... "
We use these!
We both talked it over and we both decided that
On the day of the entrance ceremony we would have a mutual understanding
We used to be on the verge of killing each other
I've been disputing with this guy since middle school
Guitars?
Are you guy's part of a band?



We're both in the same boat even now .....
We aim to become rockstars!!

Because it would be a problem in the distant future
On the first day of class we beat up all the people that looked like they'd cause us trouble
Just from talking with you guys earlier...
I would have never guessed you guys held such a huge dream!

Fighting is already our stamp
From now on we're gonna hold back on that
I don't want to hurt my precious arm in a fight
We're gonna push through as quick as possible
Until we hit our "Dream" !!
Mind letting us listen?
To the sound of your dream?
Heh

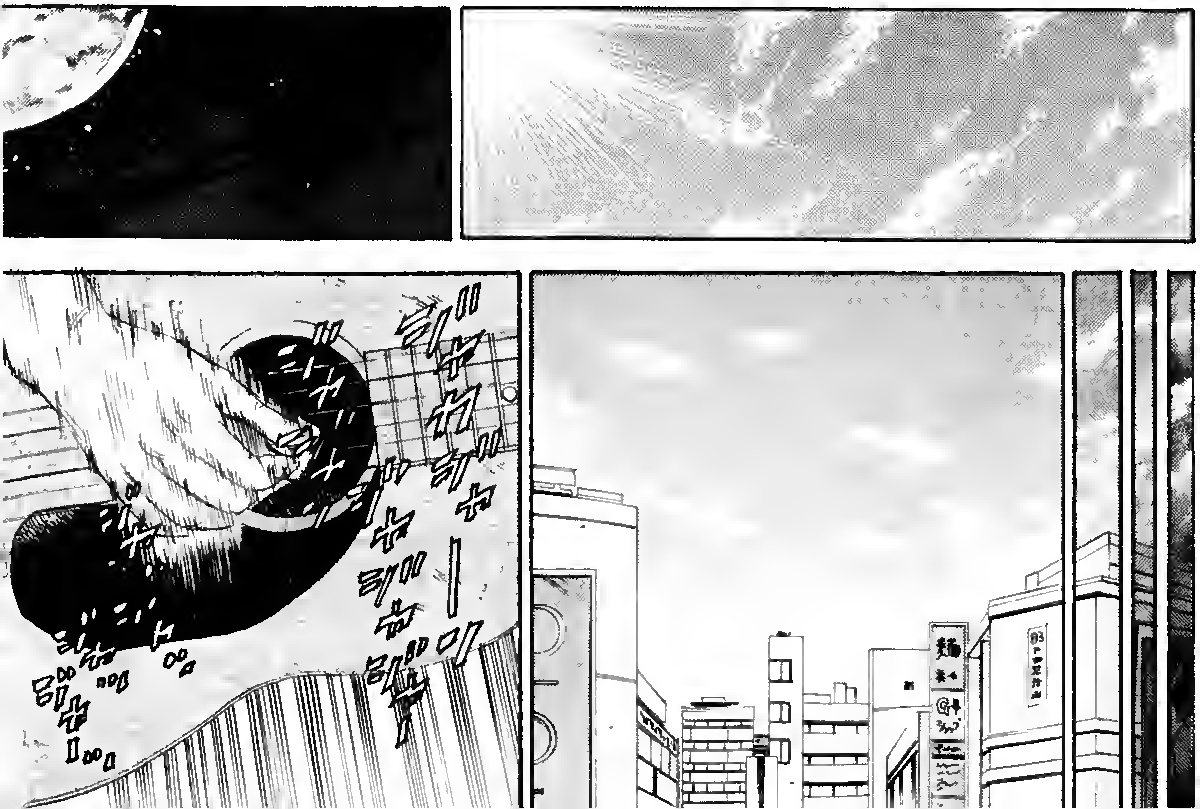
Are you two a comedy duo?
Uh ....
What!?
There was nothing good about it!

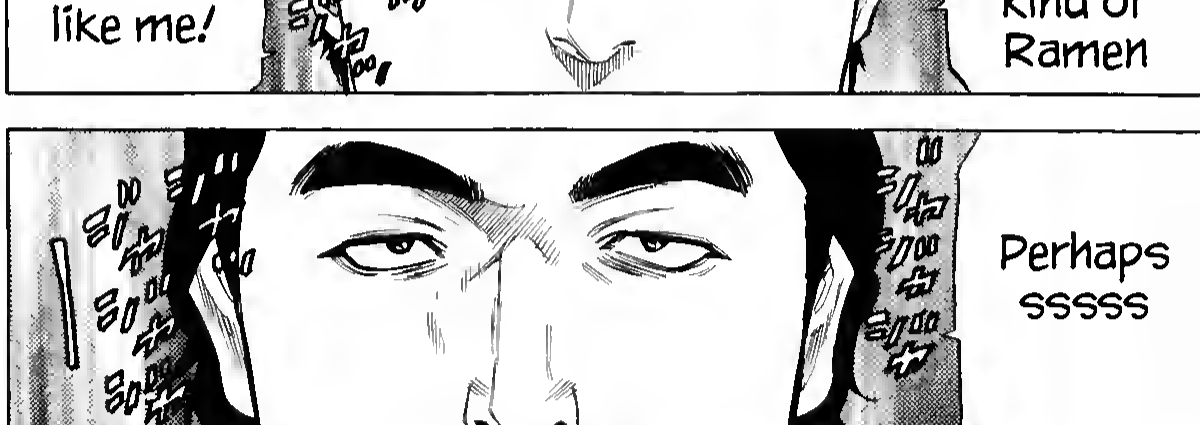
I...If he say's something like that to them they're gonna get angry !!!!
It really feels like your just ripping it off from somewhere!
OUR DREAM AND MY DREAM MEAN THE SAME THING!
W... WHAT !!!
I see .... I don't know what's good to sing about .....
Yeah ...
The heart of a friend!
Hehe
Thanks for the great advice!
Uh .....
I mean aren't rockstar's all about singing from their soul?
I'm sure if you guys just sing about thing's you like it'll turn out great no matter what!
So what do you guy's like?
Y... You keep saying the best things!!

Ramen I guess
Ramen ....?
Ramen is your favourite thing?
But you had something different earlier ....
At the minute it's all I think about it
Me too!
O.. Ok ....
Then we'll go with that!!
R.. Really !?
Now for the lyrics ..... Something like "Hey man"
I.. I see!!
That's so cool !!
I have no idea on what's going on but why the hell are they praising him

Rhyming Ramen with Hey Man



HEY
MAN NNN NNN



The Ramen doesn't like me!
Even though I like this kind of Ramen

Perhaps sssss

HEE-EYY MAN-NN !!
The oil's floating gggggg
II don't understand because I haven't heard of it before but

Looks at these pieces of shit !!
HEY MEN!! GYAHA HAHA AHAHA HAHA !!!
Even though I like this kind of ramen
Oi! They only have 300 yen in here!
GYAHA HAHAHA HAHA
WHAT'S WITH THESE SHITTY LYRICS !!!
The ramen is starting to cool down!
Prob-ably yyy
LOOK AT THESE LOSERS !!!
GYAHAH HAHAHA HAHAHA HAHAHA
Where do you think you guys are going with this!?
T... To be rock starts .....

When they finished the lyrics they started crying and thanking me....
Man those two from yesterday we're instere-sting
Nothing to joke about
But they're enthusiasm towards putting it all in music was ....
You did it with them till the morning right? You did quite a bit!
Who knew there were idiots like that still in the world
No.. but That's an intere-sting toy ....
Running away doesn't help anything !!
We should really stop with all this teasing
What do you think?
Hehehe If we just ignore em ....
I... I know Katou
We worked so hard to get the permit to sing here ....
Tough it out Shimura ....
You guy's should really do some comedy !!!

!
YOU GUYS ARE SO PATHETIC COLLECTING MONEY LIKE THIS!!
Your a star! A star!
Are you hurt!? Are you hurt!?
AHAHAHA Stepping on a rockstars hat is bad!!
Oioi! That's terrible Kimura !!
Guys that will become rockstars saying they're gonna be rockstars ....
What do you find so funny about that ....
Why's that so funny ?

Moved by your words ....
We we're both .....
Well .... Only a little bit ....

It's fine!
This is just the bumpy path to being a rockstar

Even though you guys held back for that long ....
